> **Inteleconnect EV Quick Reference Shortcut Sheet**

NXR InteleConnect EV (Enhanced Viewer) provides physicians with zero-footprint access to Niddrie Xray InteleViewer PACS. It allows referrers quick real-time access to patient images and reports on tablets, smartphones and web browsers.

Unlike InteleViewer, whereby an application is required to be installed onto the workstation, InteleConnect is accessable using a web browser via desktop, mobile or the iOS App.

InteleConnect EV grants access anywhere, anytime.

To view online:

> Open any web browser
> Enter; ***https://pacs.niddriexray.com.au***
> Use your InteleViewer username and password to log in
> Search patients using the top search bar by; Surname, First Name OR Patient ID
> Select the desired patient to view all images and reports
> The patient report will display to the left, images to the right
> Click on the image you wish to view, it will open in the InteleConnect Interface

To download the App:

> Go to the App Store on your smart phone or tablet
> Search 'InteleConnect'
> Download the free App
> Open the App
> Select New Account
> Enter server: https://pacs.niddriexray.com.au
> Enter your InteleViewer username and password
> Search the desired patient
> Use the scroll bar at the bottom of the screen to scroll through the images
